Subject: **CERTIFICATION OF SCHOOLS DEPOSITS FOR THE  
STATE SCHOOL DEFERRED MAINTENANCE PROGRAM**

In order for districts to participate in the Deferred Maintenance Program, districts are required to deposit in its Deferred Maintenance Fund specific amounts in order to receive matching State funds. The State funds available this year are scheduled to be allocated to districts at the September 25, 1996, State Allocation Board meeting. The California Department of Education will advise each County Superintendent of Schools of the maximum deferred maintenance funding levels in its September 1996 letter. Please use this information to determine the appropriate deposit necessary for each district. The deposits must be made on or before September 30, 1996.

Prior to the release of State funds, it will be necessary for each County Superintendent of Schools to certify the amount that each district deposited in its Deferred Maintenance Fund. The attached Form SAB 40-7 is provided for your convenience in certifying those deposits. Please complete and return this form to the Office of Public School Construction upon deposit of funds.

If you have any questions, please contact Debie Abernathy at (916) 445-3635, and she will direct your call to the appropriate Project Manager.

Sincerely,

LUISA PARK, Deputy Executive Officer  
Office of Public School Construction
